

QDialog

Dialog

texturePropertiesWidget

```
classDiagram
    texturePropertiesWidget <|-- QDialog
    texturePropertiesWidget <|-- Dialog
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'texturePropertiesWidget'. Two vertical lines extend upwards from its top edge, connecting to a horizontal line. From the ends of this horizontal line, two vertical lines extend upwards to the bottom edges of two boxes above it, labeled 'QDialog' on the left and 'Dialog' on the right. This structure represents 'texturePropertiesWidget' as the superclass for both 'QDialog' and 'Dialog'.
